

Appl. Chem. Department seminar, The 80th CMS International Seminar
The 13th Excited-state Functional Chemistry Seminar

Prof. Karl Börjesson ([Webpage](#))

University of Gothenburg, Sweden

“Strong exciton-photon coupling using organic molecules: The introduction of a new tool for tuning molecular photochemistry”

Date: April 10st (Wed) 2024, 16:00~ (JST)

Place: West 4, 2nd floor, Ito Campus

Abstract: see attached PDF file

Contact: Department of Applied Chemistry, Kyushu University, Nobuhiro Yanai (yanai@mail.cstm.kyushu-u.ac.jp, 2836)

Admission: free
